Community Giving

The kstate CREDIT UNION Employee Charity Jeans program raised \$5,868.23 in 2022 so that we may donate those funds to the T. Russell Rietz Animal Shelter. The check was presented in February and will be used for needed supplies at the shelter. These funds were raised solely by employee donations throughout the year. The CU Skip-A-Pay program is offered every year during November and December so that our members, with a loan in good standing, may choose to skip their payment for a \$25 donation. A portion of those donations were collected and totaled \$7,200. We were excited to present our check to Big Lakes Developmental Center in March. These are just two programs in which your credit union has given back to our community this year. When we give, you as our members give too!

Day at the Capitol

Each year we send representatives from our credit union staff to visit the Kansas Capitol on Credit Union Day. This year Preston, Jensen and Kinsey all were a part of the meetings and activities throughout the day. They were also able to meet with our legislators about important credit union topics.
