## Celebrating 35 Years of Leadership & Dedication

In February, we had the privilege of honoring our President/CEO, LaRae Kraemer, for an incredible 35 years of service to kstate CREDIT UNION. To celebrate this milestone, board members, team members, other Credit Union peers, and her family gathered for a special breakfast filled with gratitude, gifts, and appreciation.

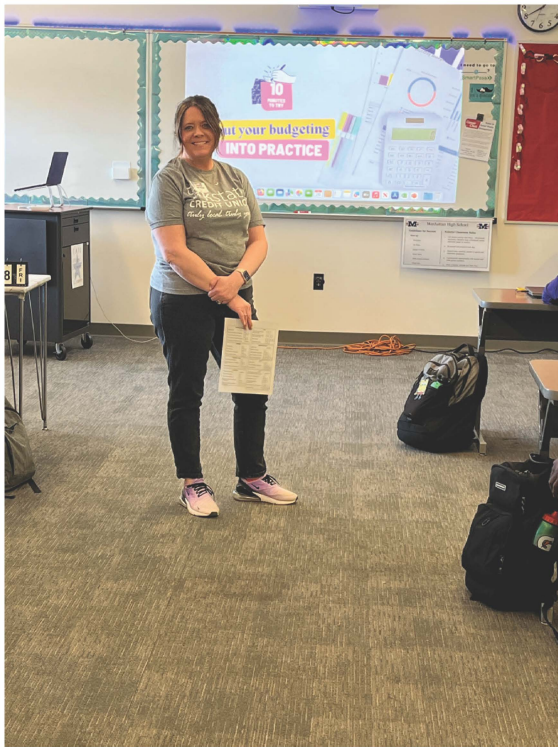

## IN OUR COMMUNITY

We provided lunch for the Pottawatomie County, Kansas emergency management, public works & others that helped with the recovery efforts after the tornado last Spring. The lunch was a part of a #500forGood grant we were awarded from FHLBank Topeka. Pictured here: James, Jen & Stacy

On Law Enforcement appreciation day team members dropped off some goodies to some of the area agencies to let them know we are very thankful for everything they do to keep our community safe. Pictured here is Preston visiting the Wamego Police Department.

Erin presented to a personal finance class at Manhattan High School. Erin was teaching students about credit unions, saving, credit, budgeting. and more.

Our team members, Stacy, Jensen & Preston, represented us at our state capitol and talked with legislators to advocate for important credit union issues.
